Dear Mr. Patterson:

This is in response to your letter dated May 27, 1980 in which you attached documents concerning your past involvement with the Federal Bureau of Investigation and the House Select Committee on Assassinations. In your letter you requested an investigation into the activities of the FBI and the House Select Committee on Assassinations to determine if they acted improperly in connection with their investigations of the death of Dr. Martin Luther King, Jr.

Please be advised that I have forwarded your letter and attachments to the appropriate Divisions of the Department for review. You can be assured that your allegations will be carefully reviewed and appropriate action taken if warranted.

Your concern in this matter is appreciated.

Sincerely,

ROBERT L. KEUCH
Special Counsel to the
